COOKIES

“Cookies are information packets sent by web servers to web browsers, and stored by the web browsers. The information is then sent back to the server each time the browser requests a page from the server. This enables a web server to identify and track web browsers.”

There are **two main kinds of cookies**: session cookies and persistent cookies. Session cookies are deleted from your computer when you close your browser, whereas persistent cookies remain stored on your computer until deleted, or until they reach their expiry date

Music Mania Web Shop uses **Google Analytics** to analyse the use of this website. Google Analytics generates statistical and other information about website use by means of cookies, which are stored on users' computers. The information generated relating to our website is used to create reports about the use of the website. Google will store and use this information. Google's privacy policy is available at: <http://www.google.com/privacypolicy.html>

Music Mania does **not use cookies to collect personally identifiable information** about you. However, if you wish to restrict or block the cookies which are set by the Work the World website, or indeed any other website, you can do this through your browser settings. The Help function within your browser should tell you how.

Although blocking cookies may have a negative impact upon the usability of some websites, most browsers allow you to refuse to accept cookies and you have the right to know about this fact. More information about web browser cookies can be found at <http://www.allaboutcookies.org/cookies/>.
